## PE8 Action: Farmers' Markets

3 Points

**Program Summary:** Broome County was instrumental in the construction and opening of the Broome County Regional Farmers Market. Broome County funded both the feasibility study to identify the economic feasibility of a regional market and establish criteria for a building and the construction of the facility (mix of grants and County funds). Broome County also obtained a grant to get the market up and running upon opening, which was used to fund operations through an agreement with Cornell Cooperative Extension of Broome County through the end of 2017 (contract attached). Now, Broome County continues to fund Cornell Cooperative extension, providing 10% of their annual budget (shown on page 4 of the CCE Annual Report, CCE\_Broome\_AR\_2018), and they operate the facility open on Saturdays year round, and additional days in the main growing season (see BCRFM Hours). Currently, there is an agreement in place between CCE and Broome County establishing a lease agreement and operations and maintenance responsibility for the market until 2040 (see Resolution No. 351 attached).
